Duty of Disclosure

Prior to entering into a contract of general insurance you have a duty to disclose certain information. You have the same duty to disclose prior to renewing, extending or varying a general insurance contract. When answering the questions you must be honest and you have a duty under law to tell us anything known to you. You, and of which a reasonable person in the known circumstances would include in answer to the questions. We use the answers in deciding whether to insure you and on what terms. If you do not answer the questions in this way, we may reduce or refuse to pay a claim, or cancel the Policy. If you answer questions fraudulently, we may refuse to pay a claim and treat the policy as never have been valid.

Declaration

I/ We confirm we have read the Duty of Disclosure included in this application form and confirm the answers are true and correct and that no information has been withheld which may affect the decision to accept this application or the terms and conditions.

EVERY HOME SHOULD HAVE THESE:-

	<p>For your project, consider using the new 'smart and invisible' way to keep your roof space and home cooler in Summer, and reduce condensation in Winter.</p> <p>Installed Tile on Roof</p>	
 <p>Terracotta or Concrete 'ventilation' system</p>		 <p>Corrugated 'ventilation' system</p>

They are installed in pairs, and we can supply Australia wide. Call us on 1300 884 876 or look it up on www.buildingcentre.com/smartproducts/.

High Performance turbo inspired 'draught + vermin blocker' Ducted Ventilation System. This is a well designed, resolved and manufactured complete 'high performance' ducted ceiling ventilation system. It has a unique integrated 'draught + vermin' blocking feature or 'wings', that automatically and effectively seals off the ducting, when it is not in operation.
